

DECLARATION ON PRODUCT QUALITY

13/3/2015

To whom it may concern,

Product Model:

Polycrystalline Solar Modules

LNSA-150P, LNSC-200P, LNSD-225P, LNSE-245P, LNSE-250P, LNSF-290P, LNSF-295P, LNSF-300P

Monocrystalline Solar Modules

LNSA-155M, LNSA-160M, LNSC-205M, LNSC-210M, LNSD-230M, LNSD-235M, LNSD-240M, LNSE-255M, LNSE-260M, LNSE-265M, LNSF-305M, LNSF-310M, LNSF-315M

Herewith it is declared, that all the LUXEN solar modules above shipped to SEED POWER Australia are using solar cells from SF-PV (Cell Model: SF-156S, SF-156M) which is the parent company of Suntech Power and LDK Solar.

All the solar modules supplied by LUXEN Solar to SEED POWER are our Class A quality products.

Suzhou Luxen Solar Energy Co., Ltd.
